\$200,000 CASH!

Sterling Public Schools has registered to participate in the Dollar\$ for School\$ program being offered by Homeland Stores and Lawton Country Mart stores. This program will enable us to earn cash for our school to be used to provide our students with things above and beyond what our regular budget will allow.

How can you help Sterling Public Schools earn cash?

- Take this letter and your Homeland One Card or your Country Mart Card to any Homeland Store or Lawton Country Mart Store and have the cashier key in our ID number **64027** and scan your card during a transaction. After that every time you use that card our school will automatically receive credit. Just be sure to use your card when you shop so that our school gets every credit possible.

Additional information:

- Points accumulate automatically on registered cards – no receipts to keep or tally.
- Registering your card to support our school does not change your personal rewards.
- If you don't have a card you can get one for FREE!
- Customers at any Homeland or Lawton Country Mart store can support our school so after you use this letter pass it on!
- Many vendors are offering double points on selected items that will have a Double Points emblem on the shelf throughout the store. Purchase these items to give us double the value!
- If your family has more than one card register each card.

Thank you for supporting Sterling Public Schools in the Dollar\$ for School\$ program!
