24 th	FFA District Speech Contest
26-28 th	BB & SB Regionals
27-28 th	State FFA Contests
28 th	Regional Track Meet
30 th	FCCLA Banquet

A NOTE FROM THE SUPERINTENDENT

Parents and Patrons,

It is unbelievable that we are closing in on the end of another school year. The months of April and May bring the time for students to perform on state mandated testing. Increased accountability to schools requires increased performance by teachers and students. Student success relies heavily on preparation by the school and support by parents and guardians. The administration would like to thank each of you for your emphasis on your child's academic achievement. The district continues to work in preparation for the transition from PASS skills to the Common Core standards, which will require higher level thinking skills and increase writing by all students.

Since I didn't write a newsletter this past month, I would like to congratulate our high school basketball teams and the coaches on highly successful seasons. Our boys' team ended with a game in the Big House against the eventual State Champions. It was an awesome experience for our school and community. I'd like to especially thank

the All Sports Booster Club and the parents who provided special treats throughout the playoffs for both teams.

District Tournament

Kudos for all of our students who made the third 9 week Regional Tournament.

Regional Tournament

No School for the State Geography Bee. Mr. Johnson said Samuel did an outstanding job and had to enter into a tie breaker round to reach the Finals. Samuel finished in 11th place at the State contest.

Other students who continue to bring recognition to Sterling School include: Kyanne Seibold who was voted Southwest District FCCLA Vice President at the State Convention this past week; Chance Hale, Kelsey Milam, and Kyanne Seibold for making the Sale at the Oklahoma City Youth Expo; and finally, Jacob Quickle and Trevyn Woolbright have been selected as Basketball Honorable Mention All- State.

County Stock Show

Now is the time to sign up for Drivers Education class this summer. Please contact Ronita Bridges at 365-4307 to sign up for the class. The class will be limited to twenty students. The school board and administration plan to purchase a school car and a zero radius mower this next month, which will fulfill all proposals of the 2011 Bond Issue. On behalf of Sterling Public School, I would again express our gratitude to all of patrons for their support.

Go Tigers!!
Julie Poteete
