

PARENTS RIGHT-TO-KNOW

Dear Parent or Guardian:

Our school receives federal funds for Title I programs that are part of the Oklahoma State Department of Education. Throughout the school year, we will continue to provide you with important information about this law and your child's education.

1. You have the right to request information regarding the professional qualifications of your child's classroom teacher(s). If you request this information, the district or school will provide you with the following as soon as possible:
 - a. if the teacher has met licensing requirements for the grade level and subjects in which the teacher is providing instruction;
 - b. if state licensing requirements have been waived for the teacher on a temporary basis;
 - c. the type of college degree major of the teacher and the field of discipline for any graduate degree or certificate; and
 - d. if your child is receiving Title I services from paraprofessionals and, if so, his/her qualifications.

2. Schools receiving Title I funds shall also provide to each individual parent:
 - a. information on the level of achievement of the parent's child in each of the state academic assessments as required under Title I; and
 - b. timely notice that the parent's child has been assigned or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

If you would like to request this information, please contact your child's school.

Thank you for your interest and involvement in your child's education.

Sincerely,
